**WHEREAS**, the Township recognizes that certain natural or man-made occurrences may result in emergencies or disasters that exceed the resources, equipment, and/or emergency management, first responders, and response personnel of a single given public agency; and

**WHEREAS**, the Township recognizes the need for the Township to develop an effective mutual aid agreement for State credentialed all hazards emergency management and incident management services and resources upon which it may call upon in its time of need and is prepared to enter into a mutual aid agreement for State credentialed all hazards emergency management and incident management services and resources with other like-minded public agencies; and

**WHEREAS**, the Township also recognizes the need for the existence of a public agency, formed by an intergovernmental agreement between two or more public agencies, which can serve to coordinate and facilitate the provision of State credentialed emergency management and incident management mutual aid between signatory public agencies to a mutual aid agreement for State credentialed emergency management and incident management services and resources; and

**WHEREAS**, the Township has been provided with a certain “Illinois Incident Management System All Hazards Incident Management Mutual Aid Agreement” which has been reviewed by the Township Supervisor and Board of Trustees and which other public agencies in the State of Illinois are prepared to execute, in conjunction with the Township, in order to provide and receive State credentialed emergency management and incident management mutual aid services as set forth in the “Illinois Incident Management System All Hazards Incident Management Mutual Aid Agreement”; and

**WHEREAS**, it is the anticipation and intention of the Township that this “Illinois Incident Management System All Hazards Incident Management Mutual Aid Agreement” will be executed in counterparts as other public agencies choose to enter into the “Illinois Incident Management System All Hazards Incident Management Mutual Aid Agreement” and strengthen the number of signatory public agencies and resources available from those public agencies; and

**WHEREAS**, it is the anticipation and intent of the Township that the “Illinois Incident Management System All Hazards Incident Management Mutual Aid Agreement” will continue to garner support and acceptance from other currently unidentified public agencies who will enter into the “Illinois Incident Management System All Hazards Incident Management Mutual Aid Agreement” over time and be considered

as if all signatory public agencies to the “Illinois Incident Management System All Hazards Incident Management Mutual Aid Agreement” had executed the “Illinois Incident Management System All Hazards Incident Management Mutual Aid Agreement” at the same time; and
