WHEREAS, the State of Illinois has enacted "An Act regulating wages of laborers, mechanics and other workers employed in any public works by the State, county, city or any public body or any political subdivision or by any one under contract for public works", approved June 26, 1941, as amended, (820 ILCS 130/0.01 et seq.) (the "Prevailing Wage Act" or the "Act"); and

WHEREAS, the Prevailing Wage Act requires that Hanover Township of Cook County, Illinois, investigate and ascertain the prevailing rate of wages as defined in the Act for laborers, mechanics and other workers in the locality of Hanover Township performing public works for Hanover Township;

NOW, THEREFORE, BE IT ORDAINED by the Board of Trustees of Hanover Township, Cook County, Illinois as follows:

SECTION ONE: To the extent and as required by the Prevailing Wage Act, as amended, the general prevailing rate of wages in this locality for laborers, mechanics and other workers engaged in performing public works coming under the jurisdiction of Hanover Township is hereby ascertained to be the same as the prevailing rate of wages for the Cook County area as determined by the Department of Labor of the State of Illinois as of June of the current year, a copy of that determination being attached hereto and incorporated herein by reference. As required by said Act, any and all revisions of the prevailing rate of wages by the Department of Labor of the State of Illinois shall supersede the Department's June determination and apply to any and all

public works undertaken by Hanover Township. The definition of any terms appearing in this Ordinance which are also used in aforesaid Act shall be the same as in said Act.

**SECTION TWO:** Nothing herein contained shall be construed to apply said general prevailing rate of wages as herein ascertained to any work or employment except public works of Hanover Township to the extent required by the aforesaid Act.

SECTION FOUR: The Township Clerk shall promptly mail a copy of this determination to any employer, and to any association of employers and to any person or association of employees who have filed their names and addresses, requesting copies of any determination stating the particular rates and the particular class of workers whose wages will be affected by such rates.

**SECTION FIVE:** The Township Clerk shall promptly file a certified copy of this Ordinance with <u>both</u> the Secretary of State Index Division and the Department of Labor of the State of Illinois, but in no event later than July 15, 2008.

SECTION SIX: Within thirty (30) days of filing a certified copy of this Ordinance with the Secretary of State, the Township Clerk shall cause to be published in a newspaper of general circulation within the Township notice of the above mentioned determination by the Hanover Township Board of Trustees regarding said prevailing rate of wages.

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial/Decoration Day, Fourth of July, Labor Day, Veterans Day, Thanksgiving Day, Christmas Day. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration such as the day after Thanksgiving for Veterans Day. If in doubt, please check with IDOL.
