View a new medium of paintings at the Village Hall Gallery, 2<sup>nd</sup> floor, 228 South Main St., in Bartlett. The art was created by using highly pigmented water-based ink and color crystal powders. When sprayed with water, the medium bursts into a fluid of color and shapes creating a loose effect. The exhibit runs for the month of October.

The Artists' Reception is held on Tuesday, October 18, from 6:00 - 7:00 P.M. at the Gallery. All are welcome to meet the artists over light refreshments.
