

Free Prostate Cancer Screenings

In conjunction with the Hanover Township, AMITA Health Cancer Institute at Alexian Brothers and St Alexius Medical Centers are hosting a free prostate screening, via blood draw, on December 18th from 11 am – 1 pm. To qualify, residents must be 50 – 75 years old. If younger than 50, participants must be high-risk for prostate cancer.

Appointments will be about 20 minutes long. Participants will be screened for eligibility but will not be screened for insurance or income. Free transportation is available for participants that qualify.

To be screened and to make an appointment please call (844) 952-HOPE (4673).
