Get Started with Libby and Add the App to your Device

STEP 1
Install the Libby app from your device's app store.
Apple App Store
Google Play

Windows Store

Or, visit libbyapp.com in your Chrome, Firefox, Safari, or Edge browser.

STEP 2
In Libby, follow the prompts to find your library and sign in with a valid library card.

STEP 3
Browse your library's collection and borrow a title.

STEP 4
Borrowed titles appear under Shelf > Loans and download to the app automatically when you're connected to Wi-Fi, so you can read them when you're offline.

From your Loans, you can:
• Tap Read With... to choose where you'd like to read the book (Kindle or Libby), then finish sending to Kindle (U.S. libraries only) or start reading in Libby.

• Tap Open Audiobook or Open Magazine to start reading or listening to that title.

• Tap Manage Loan to see options like Renew and Return.
If you need more help with Libby, please visit Libby Help. Happy reading!

Navigating the App

In the footer

- Tap **Library** to open the library collection you were most recently browsing.
- Tap the **Reading now circle** to open the loan or sample you were most recently reading.
- Tap **Shelf** to open your loans, holds, and tags for all your libraries.

In the menu

- Tap **Manage Notifications** to change your notification settings. Once set up, in-app ("menu badge") notifications appear at the top of the menu.
- Tap a library to browse their collection.
- Tap **See Library Cards** to see your library cards, see loan and hold limits, rename cards, add cards, and remove cards.
- Tap **Add A Library** to find another library.
- Tap **Learn Libby** to see short video tutorials of features in Libby.
- Tap **Take Our Survey** to answer a quick survey about Libby.
- (U.S. only) Tap **Read Books With...** to choose where you read your books (Kindle or Libby).
